

Invitation and Call for Papers

Photonics Cluster Netherlands (PCN) and the German Society for applied Optics (DGaO) are inviting for the 113th annual DGaO conference from May 29th through June 2nd, 2012, in Eindhoven, The Netherlands.

It has been a long-standing tradition of the DGaO to occasionally hold their annual general meeting and technical conference in a neighbour country. For 2012, DGaO and PCN are inviting everybody interested to join this event at the Technical University of Eindhoven in the Netherlands.

Aiming at application fields of **illumination**, **Lithography** and **High-Tech Systems**, the following topics will be in the focus of the conference:

- Optics for illumination
- Optical lithography
- Electron optics
- Integrated optics
- Camera systems

DGaO and PCN are calling for the submission of **short oral presentations** (12 min) and **poster presentations** covering the above focus topics, as well as the entire field of applied optics. Please be sure to apply by

using the online-System at www.dgao.de. The short presentations should not exceed 1200 characters. Conference language is English, German language presentations will be accepted as well.

Conference board: F. Höller (Chair), S. Bäumer, E. Buhr, B. Dörband, Ch. Faber, G. Häusler, A. Jacobsen, Ch. Velzel.

Conference chair is Dr. Stefan Bäumer of Philips Lighting, LightLabs, Eindhoven.

Schedule:

Abstracts deadline: January 14th, 2012
Feedback on acceptance: Feb. 24th, 2012
Programme circulation: mid March 2012
Binding registration: from Feb. 13th, 2012
Early Bird registration ends March 30th, 2012

Proceedings:

Every accepted presentation shall be published in a 2-page version within the online conference proceedings (www.dgao-proceedings.de). this version needs to be submitted by **July 20th, 2012**.

Fees (@ registration by March 30th, 2012):
DGaO, DPG, PCN, EOS members: 200,- €
Non-members 250,- €
Students, retirees, unemployed: 80,- €
A supplement fee of 30,- € is due upon payment after March 30th, 2012.
